Re: Request for Extension of Time to File Findings of Fact (MM Docket No. 96-173)

Dear Judge Chachkin:

Transmitted herewith please find a motion to for Extension of Time in which to file Findings of Fact in the above cited case. As you know, Chameleon Radio Corporation ("Chameleon"), through its president, Don Werlinger, represented itself pro se at the February 24, 1997 hearing. The reason for the pro se representation was a lack of funds necessary to continue to maintain legal counsel.

Chameleon continues to be without counsel and is preparing its Findings of Fact pro se. Although Mr. Werlinger has spent many hours working on the presentation and is most anxious to bring this matter to a conclusion, his lack of knowledge in preparation of such documents coupled with a lack of any kind of assistance in preparing the document has resulted in his inability to meet the April 11, 1997 deadline for having the document in the hands of both your office and that of the Bureau.

Therefore, Chameleon respectfully requests an extension of time of fourteen (14) days until Friday, April 25, 1997 in which to deliver its Findings of Fact. A copy of this letter and the Motion are being delivered both via facsimile and overnight courier to the office of Mr. Alan E. Aronowitz.

Respectfully submitted,

Don Werlinger, President

MOTION FOR EXTENSION OF TIME IN WHICH
TO FILE FINDINGS OF FACT

Chameleon Radio Corporation ("Chameleon") hereby requests an extension of time in which to file findings of fact in the above cited case. Chameleon, through its president, Don Werlinger, represented itself pro se at the February 24, 1997 hearing in this matter. The reason for the pro se representation was a lack of funds necessary to continue to maintain legal counsel.

Chameleon continues to be without counsel and is preparing its Findings of Fact pro se. Although Mr. Werlinger has spent many hours working on the presentation and is most anxious to bring this matter to a conclusion, his lack of knowledge in preparation of such documents coupled with a lack of any kind of assistance in preparing the document has resulted in Chameleon's inability to meet the April 11, 1997 deadline for presenting the documents to the various parties in this matter.

Therefore, Chameleon respectfully requests an extension of time of fourteen (14) days until Friday, April 25, 1997 in which to deliver its Findings of Fact. Such an extension will not unnecessarily postpone any of the important material aspects of the case. Chameleon apologizes to the Court and counsel for having to seek this delay; however, even with its best efforts, the extension of time is necessary.

Respectfully submitted,

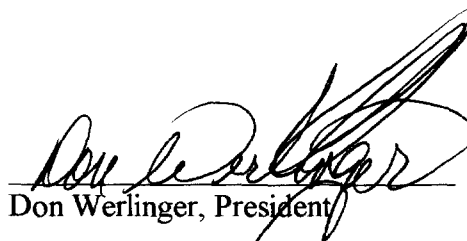

Don Werlinger, President
